About

---

For the past five decades, Covenant House has helped transform and save the lives of more than a million homeless, runaway and trafficked young people. They offer housing and support services to young people in need – currently reaching 50,000 youth every year.

Their comprehensive program model builds a life-affirming bridge for young people by engaging youth on the street (Street Outreach) providing no-barrier, safe, short-term housing to meet their immediate needs (Immediate Care), and longer-term transitional housing (Rights of Passage) to assist those who are ready for more independent living.
