## **WE'RE IN BUSINESS TO CURE BLINDNESS**

Two Blind Brothers is a luxury casual wear company co-founded by Bradford and Bryan Manning. Both brothers were diagnosed with Stargardt's disease, a form of juvenile macular degeneration, at age 7.

**They believe they are on the precipice of a breakthrough so they donate 100% of their profits to retinal research, including these guide dogs purchased by L'Amey America! The more frames you buy, the more guide dogs we give away, the more money donated on your behalf!**
