The Hickory subcollection of Chloe from Cachet, a division of L'AMY America, has three new, retro-theme acetate sunglasses. Each features dramatic, thick front and temples distinguished by metal trim on temples engraved with the Chloe logo. Bold acetate styling with rivets added on the temple tips adds toughness as a signature detail. Available in four colors: black, mahogany, mole, and gray accented with complementary lenses. For more information, contact Cheryl Canning at 800-872-7377 ext. 348, or email Cheryl.Canning@lamygroup.com.
