

Fashion Forward Styles By Nicole Miller

July 25, 2024

L'Amey America has introduced a bright and bold selection of Nicole Miller YourFit Ophthalmic styles for Summer 2024. This brand-new collection includes four unique and fashionable frames that instills confidence and poise in the modern woman. The Nicole Miller YourFit collections' wider PD offers fashion forward frames with Nicole Miller's signature style.

Finch Bay

****Finch Bay: Upgrade Your Summer Wardrobe****

Finch Bay's colorful and fearless frame composed of acetate is comfortable and fun for everyday wear. The temple of each frame features a gorgeous rainbow iridescent core with a Celtic pattern that no one can resist. With three stunning colorful choices, you may find yourself wanting each one. Finch Bay's rectangular shape at 54-16-135, makes these perfect for the everyday fashionista.

****Mouettes: Become Stylish and Sophisticated****

Mouettes is a rounded, two-tone color, metal frame in complimenting colors with a detailed wire temple with floral detailing on the tips. With its comfortable nose pads, Mouettes is an easy choice when it comes to finding the perfect everyday frame with an aesthetic flair. The dimensions of 55-16-135 render this style versatile without sacrificing fashion.

Mouettes

Majestic

****Majestic: Embrace the Pastel Glow****

Majestic features an icy translucent acetate frame, with metal temple that is perfect for the summer season. The range of pastel colors makes these frames extremely wearable and the next staple in your wardrobe. With a hint of signature Nicole Miller enamel/studding on the temple, Majestic is the lightweight and delicate frame you've been searching for, that has the dimensions of 55-17-141.

****St Marks: Reveal the Real You****

With a unique and stylish twist on the modern frame, St Marks is a bold addition to the Nicole Miller YourFit collection. Composed of an acetate frame with studded detailing on the brow, St Marks pushes boundaries and dares individuals to be themselves. There is no denying that the unique combination adds a gorgeous and chic touch with its versatile dimensions of 55-17-13. St Marks is perfect for anyone who seeks individuality and creativity with this stunning frame.

St Marks
