FEMININE/ TOUGH-GIRL *chic*

L'AMY AMERICA'S NICOLE MILLER RUNWAY COLLECTION TAKES ITS INSPIRATION FROM FRENCH HERITAGE AND VINTAGE RUNWAY ARCHIVES.

The four optical and four sunglass styles of the new, limited edition Nicole Miller Runway Collection are named after famed French regions. Taking their cue from Nicole's vintage runway archives and inspired by Nicole's French heritage, the collection is styled with the latest eyewear shapes incorporating Nicole's iconic mix of feminine/tough-girl chic.

Nicole Miller Runway ophthalmic styles were reimagined by Nicole with a vintage mix of today's hot cat eye updated with large glittering stones, mixed materials and narrow geometric shapes in combinations of acetate and metal. The four chic feminine Nicole Miller Runway sunglass styles bring back the glam sophistication coupled with a bit of Nicole's edge. ■
