TITAN MINIMAL ART FROM SILHOUETTE

NEW PRODUCTS

OUTSIDE the FRAME

Add a coastal touch to your dining experience with this serving piece that is designed to hold six oysters and includes a bowl in the middle for your favorite garnish.

-Jillian Urvelay

Oyster Half Dozen Platter from Cotton Colors

MAN'S BEST FRIEND

20/20 INSIGHT: Our May issue is filled with stylish and functional styles for all the men out there looking for a new pair of frames. We decided to continue this theme here, where we have highlighted five ophthalmic frames that showcase eyewear trends in 2024 including metals and muted tones.

-Victoria Garcia

TINETSET 4 Morel

This men's optical frame offers a large rectangle shape that features contrasting outer stainless-steel rims and a bridge with prominent brows made from high-definition acetate.
