New.

### WESTGROUPE

EVA TIK  
STYLE: E9168

Five styles for men are minimalist and masculine, including two stainless steel models. The sporty E9164 incorporates two-tone coloring while E9168 features a striped pattern laser etched along the temples. An engraved line around the frame perimeter adds color.

### CLASSIQUE EYE-WEAR

LISA LOEB  
STYLE: WHISTLE

A modified rectangle frame features a slightly upswep brow line designed "to give a lift to the face." Frames in high-gloss classic colors and tortoise blend olive, grape, indigo and plum/red hues to mimic marblization on semi-precious stones.

### A&A OPTICAL CRUZ EYEWEAR

STYLE: I-244  
This semi-rimless men's ophthalmic includes "athletic inspired" color-blocked rubber temples. Constructed of lightweight beta titanium, this rectangle-shaped frame comes in three colors: navy, brown and gunmetal.

### L'AMY AMERICA NICOLE MILLER

STYLE: NMGRAND  
Metal takes center stage on four ophthalmic styles for women to create a more urban look. The Grand model features flex hinges and metal chain detailing that mixes marble patterns and rich colors on the temples. Grand is available in three colors: matte black, matte eggplant and matte navy.

### COSTA DELMAR COLLECTION

STYLE: SARA SOTA  
Four styles named for iconic beach towns (Anasas, Del Mar, Sarasota and May) are constructed of Mazzuchelli acetate. Models include 5-barrel hinges and a plastic coating injected around the threading for a seamless open and close. Each 6-base frame includes a custom galvanized co-wire and a topographical pattern inside the frame.
