Delve into Renewed Style with Ann Taylor Eyewear

Give your springtime style a well-deserved upgrade with the new specs from [Ann Taylor](#). Adding an ultra-chic frame to both their [core collection](#), as well as their [petalizing collection](#), every modern gal can don fresh frames this season. With a balance of bright and lively colorations like purples and greens, and chic metal cutout detailing, these gorgeous glasses are effortlessly eye-catching. Modestly curved rectangular profiles will look great on anyone, while playful touches of pattern jazz up the lightweight designs. Meanwhile, delicate temple details, like fine logo branding, add a hint of panache. Take a peek at the coveted specs, below.
