Dive into Dashing TLG Specs

TLG is launching three new optical styles that are inherently chic and masculine, making them perfect for every modern gent. Ultra-lightweight and thin, not to mention durable in design, these modified rectangular profiles are offered in sleek blacks, gunmetal grays, navies and olive greens. Contemporary accents like matte finishes and screw-less hinges add to the refined allure. Take a look, below.

TLG (NU023), TLG (NU024), TLG (NU025)
