**1. JOHN VARVATOS** A hint of retro meets a touch of gentlemanly elegance on the John Varvatos V407. This combination frame distinguishes itself with a groove-line metal bridge and temples. (800) 423-3023, [derigauz.com](http://derigauz.com), \$365 | **2. IZOD** The men's acetate model 2064 is a full-rimmed modified oval eyeshape. (800) 645-3733, [cvoptical.com](http://cvoptical.com), \$185 | **3. VARI EYEWEAR** With higher temples and a rectangular eyeshape, the VR-2 is made with TR-90 material and is shown here in an all-new color: demi-grey with a translucent grey bottom. (516) 570-2723, [varieyewear.com](http://varieyewear.com), \$189 | **4. CANALI** Made in Italy, this luxury men's line includes model CC30402 as part of its 18 optical and 15 suns styles. The acetate temple is adorned with metal décor and the Canali logo. (800) 243-6350, [lanyzamerica.com](http://lanyzamerica.com), \$365 | **5. BON VIVANT** A classic cat-eye, the Quasimodo from Ogis Bon Vivant line features crystal acetate blends and scalloped details, with darker temples. (888) 560-1060, [ogiseyewear.com](http://ogiseyewear.com), \$285 | **6. RAEN** Whether it's for all-day wear or a special occasion, the unisex Rowan brings a refined spirit to any look. (760) 436-7236, [raen.com](http://raen.com), \$170 | **7. CALVIN KLEIN** The enamel-filled brow and coordinating temple tips bring the lightweight, clubmaster-inspired CK18124-420 to true "conversation-piece" status. (800) 645-1300, [marchon.com](http://marchon.com), \$248 | **8. ARTICLE ONE** The Reverse Windsor Collection is a new take on a tried-and-true style, and the R. Concord does the 1980s trend proud. (844) 376-4669, [articleoneeyewear.com](http://articleoneeyewear.com), \$278 | **9. NOMAD** The flexible Sao Paolo features handmade acetate and a stainless steel core. (800) 526-8838, [morel-france.com](http://morel-france.com), \$175
