LAMYAMERICA

DID YOU KNOW TLG-Thin. Light. Glasses are 100% Titanium with high-tech features for the innovative, modern man?

Wood Temples: Hidden flex hinges are made of TR90 and carbon composite for longer durability.

Zipper Temples: Made with lightweight spring hinge and compressed molded plastic front for durability.

Integrated Spring Hinge: Integrated spring hinges have substantial temple build without the weight and is comfortable to wear.

Biform Hinge: Biform hinge offers dual action flex with a securing close action. Ultra-thin acetate sleeves on the temple maintain lightweight feel and extreme comfort.

Fulcrum Tech Hinge: Non-mechanical, screwless hinges are anchored by a central cylinder which helps maintain the tension and durability of the temple.

Imagine having the power of TLG in your dispensary.
