

Surf Spirit

» Iconic women's lifestyle brand Roxy has partnered with Mondottica USA to release an eyewear collection that stays true to the brand's emphasis on empowering women to defy the status quo.

The Roxy assortment features colorful patterns, nature-inspired gradients, and a variety of silhouettes. Highlights include the incorporation of biodegradable acetates to support the brand's sustainability mission, and spring hinges for added comfort.

Luxe Addition

» Following the recent announcement of De Rigo's plans to acquire Rodenstock's eyewear division, De Rigo REM will be the exclusive Porsche Design seller and distributor in North America.

The Porsche Design segment is the fourth luxury brand to join De Rigo REM's portfolio, joining Chopard, Philipp Plein, and Cavalli.

The new release, featuring both ophthalmic and sunglass styles, is highlighted by eye-catching Porsche Design logos, streamlined silhouettes, and a classic color palette.
