

New Nicole Miller 2017 Sunglass Collection

Wilton, Conn. – Launching at Vision Expo East 2017, the new Nicole Miller sunwear collection is all about the modern woman, for the Nicole Miller girl “who doesn’t have to wear a suit to feel strong”. The signature nuances Nicole derives in draping and manipulating fabric reflects an understanding of what looks good on a woman, and the same hands on approach was taken with the new 2017 Nicole Miller sunwear collection. Easy to wear silhouettes in a vintage remix with a touch of daring and tough-girl chic are the hallmark of the eight new Nicole Miller sunglasses ready for Spring 2017 wearing. Animal prints, raised metal rivets and textured metal temples in up to the minute shapes coupled with soft mirrored, colored and gradient lenses reflect the DNA of the Nicole Miller brand.
