

LATEST RELEASES  
**PRODUCTS**

**MOD SQUAD**

Get your fine art fix with the latest additions to the **MODERN ART COLLECTION**. The model A389, one of three new styles, features a handmade zyl front and stainless steel temples. [modernoptical.com](http://modernoptical.com)

**\$180**

**GONE FYSHIN'**

Get your glitter on with the model F-3593, a sparkling cat eye. Accentuated by an embossed pattern, this stainless steel **FYSH UK** style features tonal layering and a rich color palette. [westgroupco.com](http://westgroupco.com)

**\$225**

**GOOD DAY**

Now available in the U.S., **MYDAY TORIC DAILY DISPOSABLES** marry Biofinity toric's design with MyDay's Smart Silicone chemistry and filter 85 percent of UVA and 96 percent of UVB rays. [coopervision.com](http://coopervision.com)

**\$99**

**BUH-BYE, BLOCKS**

Gone are the days when you needed super high-output machinery to get your lens edging done without blocks: the **EZFIT NO BLOCK DEVELOPER** from **MEI** gets the job done for small labs and high-volume retail stores. [theinsidger.com](http://theinsidger.com)

**Price upon request**

**BET ON BETSEY**

Your customers can dare to stand out with the **BETSEY JOHNSON** model Graffiti. One of five new styles in the iconic designer's collection, this frame pops with bold design and unforgettable flair. [imageview.com](http://imageview.com)

**\$159.98**

**FAB FIT**

Accommodating size 55-14-140, the **NM Elizabeth** is one of four new styles in the **NICOLE MILLER YOURFIT** women's optical collection. Flex hinges add comfort as translucent temples and rope detailing uphold the brand's style standard. [lamyamerica.com](http://lamyamerica.com)

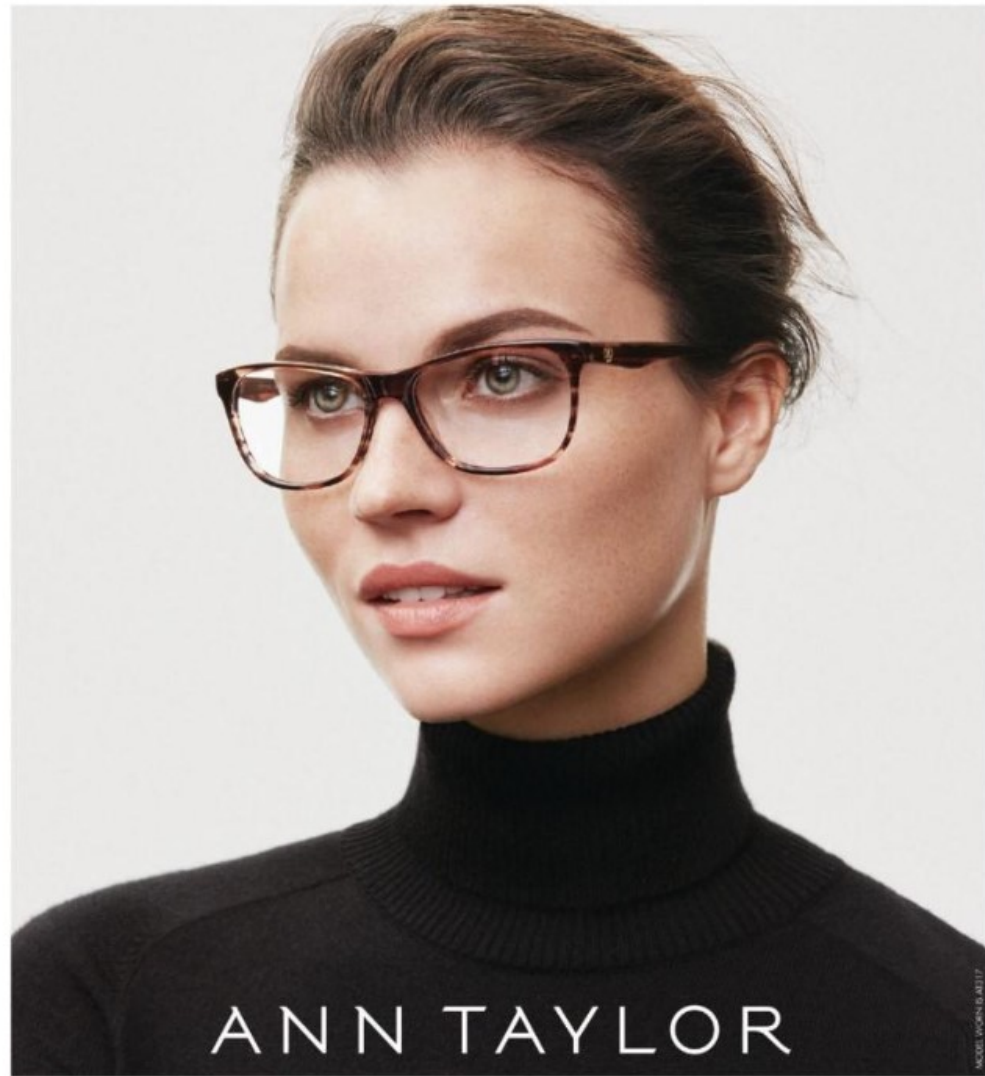

**\$165**

**PURITY AND SIMPLE**

**\$479**

Inspired by the early 20th-century art movement of the same name, the **Suprematism Collection** from **ICI BERLIN** includes four sunglasses and one optical frame: Purity. The lightweight frames celebrate the fascinating simplicity of geometric shapes. [ici-berlin.de](http://ici-berlin.de)

**ANN TAYLOR**

One of the most respected and well-known brand names in America, Ann Taylor eyewear provides petite sizes in sun, optical, and titanium for the woman who expresses her style and confidence, and puts her best self forward.
