(Top to Bottom): Palais, York and Desert Sky.

**Quick Take:** L'Amey America is presenting the Nicole Miller ophthalmic [Resort Collection](#) for Spring 2024. The collection introduces three new styles.

**Specifics:** The new styles are Palais, York and Desert Sky. Palais is a rounded acetate frame with metal temples that feature studding detail. The frame front features an interplay of gradient colors. York is a chunky acetate cat eye with a braided metal core wire within the acetate temples. Finally, Desert Sky is a metal teacup frame with textured dimensional detail on the brow and core wire.

**Selling Point:** The new Nicole Miller Resort styles are contemporary, sophisticated and colorful. [www.lamyamerica.com](http://www.lamyamerica.com)
