TOUCH OF GOLD

20/20 INSIGHT: There is always that little extra detail or flair that takes a frame from ordinary to extraordinary. We've gathered a few sun and optical frames that incorporate delicate gold embellishments in various forms that add some pizzazz to each style.

—Victoria Garcia

VERSACE 2207Q *Luxottica*

This unisex sunglass features a removable leather wrap bridge with gold-toned Medusa studs and temples featuring a Barocco motif for extra exquisite details.

Pricing: \$\$\$\$

(888) 422-2020/luxottica.com

GRACE 8072 *Alternative Eyewear*

Inspired by shapes of the '70s and '80s, this optical frame features shiny gold accents with purple pops of color throughout the frame front.

Pricing: \$\$\$

(888) 399-7742/alternativeeyes.com

ROBERTO CAVALLI 1135 *Marcolin*

This women's mask-style sunglass features a full-lens front and thick acetate temples. Gold metal details can be found on the frame front and temples which are characterized by the iconic snake pattern and the brand's monogram logo.

Pricing: \$\$\$\$

(888) 537-9265/marcolin.com

NEUBAU EYEWEAR Walter & Wassily *Silhouette*

Celebrating the centennial of the Bauhaus, the pioneering pre-war art school, this sunglass features a faded tinted mirror lens and 3D-printed applications on the frame front for an unexpected yet exciting detail.

Pricing: \$\$\$\$
