GLAMOUR EDITOR'S PICK

L'Amy America

L'Amy America announces the launch of its Glamour Editor's Pick eyewear collection. Targeted toward women, the collection features 15 optical styles and 12 sunglass styles created with the femininity and strength of women in mind. Glamour Editor's Pick balances modern fashion trends with high-quality materials and unmatched craftsmanship to create an ideal signature look for every woman. Each style is hand selected and designed in conjunction with the accessories editors at *Glamour* and is decorated with pops of color, fun silhouettes and temple stud detailing. From CatEyes to rectangle shapes, the collection offers wearers stylish and chic designs with '60s and '70s flair.
