CHAMPION 2026

CHAMPION L'AmY America

L'AmY America presents new ophthalmic frames from its Champion collection. Expanding its optical line with four new styles, frames are constructed of handmade acetate and stainless steel temples for strength and lightweight comfort. The glossy and matte rim acetate frame designs are vintage styled with modern appeal, in line with current fashion trends. Available in two colors each, the new optical series features fun designs reflecting Champion's youthful spirit.
